LETTER FROM LIEUT. PROSSER

The following letter received
by George Stableford will no
doubt be read with interest by
the many friends of Lieut. Pros-
ser in Yale:

Kelly Field, Tex., Oct. 15, '19
Mr. and Mrs. Geo. Stableford,
Yale, Michigan.

Dear Friends—I suppose you
will be rather shocked and sur-
prised to receive this letter as it
has been such a long time since I
wrote you last. I am really ashamed
of myself for not keeping in
touch with you better than I have
but I am a very poor correspon-
dent and it is hard for me to keep
up with all my friends.

I got thinking about you folks
the other night and what good
treatment I received in Yale and
resolved that the first spare
moment that I had that I would write
you. It makes me feel glad that
the accident happened where it
did when I see some of the officers
who have had accidents and the
doctors have not done a good job
on them and the scars show up
very badly. The scar on my face
can hardly be seen now, thanks to
the doctor at Yale, Michigan.

I have been about quite a bit
since you last heard from me. I
suppose you know that I was sent
out to California? I had a dandy
time out there, being able to fly up
to my home twice and show off to
my own folks.

Last July a bunch of officers, in-
cluding myself volunteered to
come to Kelly Field and get equip-
ped and then go down to the bor-
der and in case there was any
trouble with Mexico we would be
the first squadron to go in to that
country. That is what they told
us when they asked us to come.

We got down here all right, and
here we stay. I have had two or
three chances to go to the border
with different squadrons but did
not like the job they were going
to give me so have decided to stay
here. I have a fairly good job,
and have a ship of my own to fly
whenever I want to. I am group
communication officer. Having
charge of all kinds of communica-
tions, including wireless telephone
and telegraph. Have to make an
inspection of the camps along the
border once every month.

This town is rather dead as
there are not many soldiers here.
There is camp Travis, Fort Sam
Houston, Brooks Field, Camp Nor-
moyle, Kelly Field and the Re-
mount Station that are within a
radius of about ten miles of San
Antonio. At one time I think there
were over one hundred thousand
soldiers around here.

How are everybody up at Yale?
Are they all getting married and
moving away? Would like to come
up and see you all again, but from
the looks of things it will be some
time before that can be done. I am
trying to get a leave through so
that I will be able to go home at
Xmas time, but I think that I live
too far away to make it.

I ran into a lot of officers that
I knew up at Selfridge, as most of
them came down here. It was a
pleasure to see some of them I am
sure. Wish that my squadron had
been transferred to Selfridge in-
stead of here, then I am sure I
would have been able to fly to
Yale.

My address here is Kelly Field,
San Antonio, Tex. I sure would
be glad to hear from you if you
care to write, which I hope you
will.

Remember me to everyone up
there and tell them I will be only
too glad to hear from any of them.
Most sincerely,
Harry W. Prosser

Found Guilty of Murder

Mt. Clemens, Mich., Nov. 21—
Henry Johnson, colored, charged
with the murder of Mrs. Ida Art-
ist, also colored, was found guilty
of murder in the second degree in
the Macomb county circuit court
Wednesday afternoon. Mrs. Artist's
body was found in the yard of
her home at Romeo with her throat
slashed from ear to ear.
A cap worn by Johnson directed
suspicion toward him. He was ar-
rested several days later on an in-
terurban car, after escaping from a
farm to which he had been traced.
Judge Tucker has not yet im-
posed sentence.

After vain attempts to dissuade
the management of Caro Temple
Theatre from putting on movie
shows Sunday, the Caro Minister-
ial Association secured an injunc-
tion from the circuit court forbid-
ding the opening of the house. The
injunction was served Saturday
evening by Village Marshall West-
fall, and announcement of the fact
was made in the theatre, together
with a notice that the house would
remain closed.

The Evidence Is At your Door

Yale proof is what you want
and the statement of this highly
respected resident will banish all
doubt:

W. A. Woodruff, stationery en-
gineer, Jones St., Yale, says:—"A
short time ago my back was giv-
ing me quite a bit of trouble,
caused by a cold settling in it and
irritating the muscles. A dull,
continual ache was present in the
small of my back and at night
this gave me quite a bit of
trouble. I felt tired when I got
up in the morning and through
the day was languid and lacked
pep. The kidney secretions were
too frequent in passage and were
accompanied with a smarting sen-
sation. The benefit I got from
Doan's Kidney Pills was great.
Three or four boxes rid my back of
that persistent ache and put my
kidneys back in good shape again.
Doan's Kidney Pills are fine med-
icine for backache and kidney
trouble."

Price 60c at all dealers. Don't

RIBBONS LEAD AS TRIMMING

Perhaps the difficulty in obtaining new ideas in
dress trimmings this season—as well as the very ob-
taining of trimmings themselves—has brought ribbon
for this use into most unusual favor.

Loops and loops of narrow ribbons not only gaily
blow from evening and party dresses but enjoy new
locations on sheer blouses and millinery. Wider
widths are ideally beautiful in artistic color combina-
tions.

From the two-tone satin ribbons in all widths and
colorings to the wide gros grain fancy ribbons for
bags and vestings we have a stock second to none in
this city.

Never Were Hair Ribbons So Pretty

A nice perky bow of crinkly taffeta or beautiful
moire ribbon to set on top of her saucy head, is one
gift that every miss likes to find in her stocking.
